DON'T:

- ✗ Wash hair or participate in any form of exercise for 72 hours following application as moisture from the scalp may affect the adhesion of the Tape / Skin Wefts.
- ✗ Apply Conditioner to the root where the extension is attached to the natural hair.
- ✗ Use any products containing Keratin, Argan Oil, Moroccan Oil, Protein, Citrus, Alcohol, Lauryl Sulphate, or Plex treatments.
- ✗ Use any medicated or toning products on your hair extensions.
- ✗ Sleep on wet hair.
- ✗ Rub or twist the hair while towel drying.

Please Note: Showpony do not recommend you colour or bleach your Hair Extensions. If you do so - this is at your own risk, as we cannot guarantee the final result.
